Redemption & LiteTix Redemption

National Ticket Company is the world leader in redemption ticket production. Our expertise in the printing of stock, custom-printed, or bar coded redemption tickets is the reason our tickets are preferred by more game manufacturers than any others.

Roll & Raffle

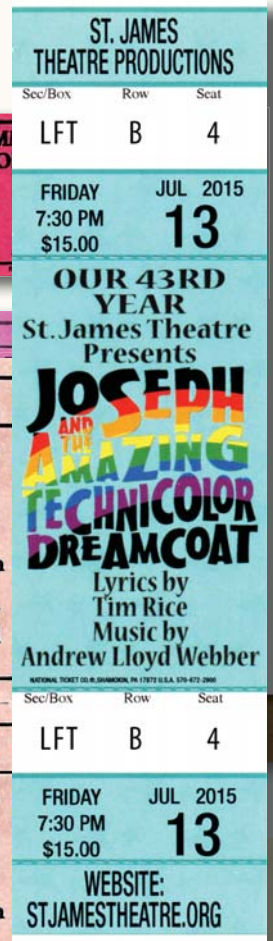

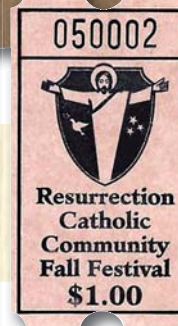

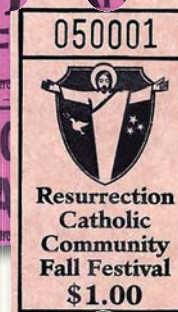

Roll tickets come in a multitude of standard and special sizes suitable for any admission or promotion application.

Strip & Sheet

In a variety of combinations, strips or sheets provide the most economical way to sell a group of tickets.

General Admission & Reserved Seat

Various sizes, colors, and designs to suit your application; customized to your specifications including your logo. Passes, vouchers, coupons, general admission and reserved seat tickets are available.
