Wristbands Made of Tyvek®

- Proudly manufactured in the USA
- In-stock or custom-printed in a variety of ink colors with your logo, graphics, and text
- Made of comfortable, durable, tear-resistant, water-resistant Tyvek®
- Easily applied to any size wrist with an adhesive strip
- A series of die-cuts at the point of adhesion makes these wristbands virtually tamper resistant
- Consecutively numbered for ease of control
- QuikBands are available as an economical and fast turnaround option

Hi-Res Wristbands

- Proudly manufactured in the USA
- Custom-printed with your 4 color logo, graphics, text, and/or high resolution bar codes
- Made of strong, comfortable, durable, tear-resistant, waterproof, lightweight material
- Easily applied to any size wrist with an adhesive strip
- A series of die-cuts at the point of adhesion makes these wristbands virtually tamper resistant
- Available with sta-put tabs to reduce litter
- Furnished either fan-folded or 10/sheet, 1,000 count

Plastic & Vinyl Wristbands

- In-stock or custom-printed in a variety of ink colors with your logo, graphics, and text
- Made of durable and waterproof plastic or vinyl, perfect for extended wear
- Easily applied to any size wrist with a non-reusable plastic snap
- **Also available: Vinyl Reusable Bands & Wrist Rider Bands with 10 tear-off tabs**
